

**Single cost  
per page**

Single charge for monochrome and colour pages and includes all costs (including on-site support) related to the production of the printed page, except the paper.

**Rental and  
services**

Single charge for monochrome and colour pages but excludes the capital element, as the equipment is rented by the client. On-site support is included.

**Purchase and  
services**

Single charge for monochrome and colour pages, but excludes the capital element. Devices are purchased outright by the client. On-site support is included.
