BIOGRAPHY

**Neil Thorns**

Regional Director at Veritas  
Technologies

Neil is passionate about enabling business growth and achieving the desired business results using leading technologies and by maximizing people's abilities. He has many years' experience in the ICT industry, and helps customers bridge the gap between their challenges and the delivery of business value. In doing so, Neil helps to drive strategic initiatives both within Veritas and our customers, while providing executive level support to decision makers. Neil joined Veritas in October 2020. He is an experienced leader, having held various executive roles at other leading international vendors.
