1. Introduction

Thank you for choosing to be part of Showcase 2017.

Part of the vision for Showcase 2017 is to illustrate the power of our partnership. The event provides a platform for learning, networking and collaboration with delegates and employees alike.

To optimise the learning opportunity, we have compiled this document to help guide you in your preparations for the event. The document provides details on the arrangements and highlights the information, activities and graphic requirements per sponsorship level.

Submitting your information

Your information requirements can be submitted via the web portal, which is currently in development, via a file sharing platform, or by email to the organisers.

Sponsor response form

The sponsor response form will guide you in submitting the correct level of detail.

Sponsor action list and timeline

We have provided a proposed timeline for the requirements, which we have captured in the sponsor action list. This will help optimise the remaining time before the event and ensure that each sponsor reaps the maximum benefits from being involved in Showcase 2017.

The organisers will prompt you for your information and requirements over the course of the next few weeks in preparing for the event.

Contacts

Dedicated resources are available to assist you with any questions that you may have.

The individuals form part of the core organising team and are responsible for specific arrangements for the event. Please feel free to use their contact details accordingly to help clarify any details or requirements.

We are looking forward to demonstrating to our audience that we are “better together”.

2. Showcase website and app

- The Showcase 2017 website and application will be going live at the end of May 2017. Notification will be sent to you once available.
- Please provide your company logo to be included on the Showcase website.

3. Sponsor representatives

Please provide the contact details for the following representatives.

- Authorised company representative/signatory
- Marketing contact person
- Contact person on the day

4. Case study submissions

- All sponsors are invited to submit a proposal to present a case study/success story, in conjunction with Datacentrix, during the afternoon breakaway sessions.
- Six case studies will be selected to be co-presented with Datacentrix.
- All proposals will be reviewed by a Datacentrix panel and selected based on the learning opportunity.
- Please contact your product manager to discuss this opportunity.

5. Delegates

- 2 participating delegates are included in the Display sponsorship.
- Please register both sponsor delegates on the Showcase website.
- For security reasons, no individual will be allowed access into the Showcase venues without a displayed delegate name badge with the official lanyard.
- A surcharge of R1,500 (excluding VAT) for additional sponsor delegates will apply.
- The registration process will allow you to pre-print your delegate name badge to avoid queuing
- A pre-registration facility will be available to your delegates on 26 July 2017 to collect the Showcase lanyard, pouch and information booklet (and delegate name badge if not pre-printed).
- The registration desk will be located at the entrance to the Ballroom.
- All sponsor delegates are requested to please adhere to a corporate dress code.

6. Exhibition stands

- The specifications of your exhibition stand are included in a separate document.
- Your stand will be branded with your company logo and co-branded with Datacentrix.
- Any sub-branding and additional messaging can be made using the electronic screen provided.
- Unfortunately, no additional branding on the physical stand can be accommodated.
- Please provide your approved logo in vector format (.eps or .pdf) to the organisers.
- Unfortunately, we cannot accommodate deviations from the pre-approved, modular stand design.
- A Datacentrix representative will be allocated to co-man the stand to optimise the Datacentrix learning experience during Showcase 2017.

7. Equipment, WiFi and support requirements

- Please submit any specific technical/AV requirements for use at your stand. These requirements are subject to approval by Datacentrix and surcharges may apply.
- WiFi connectivity will be available on the day.
- A dedicated internet termination point at the stand is available on request. A surcharge will apply.
- Please note that own laptops are required at the exhibition stands. For security reasons, we recommend that the stand is manned at all times and that equipment is either locked in the cupboards provided or removed during the opening plenary session, in the evening, or when no one is at the stand.
- Technical support will be available throughout the day.
- No equipment may be on display at the stands, unless preapproved by Datacentrix due to weight restrictions by the venue. Please provide any details of such equipment.

8. Infocentrix

Datacentrix invites you to take up advertising space in the July issue of Infocentrix. Infocentrix is a Datacentrix publication that is distributed physically and electronically to all customers and partners prior to Showcase 2017 and will be made available at the Showcase.

- Content needs to please be supplied as follows:
 - One ¼ page company profile in Microsoft Word format. Proposed word count: ~175-200 words
 - Supporting graphic or photo, to be used if space allows.

9. Delegate bag promotional inserts

- 1,400 delegate bags will be compiled for Showcase 2017.
- Participation is optional. Should you wish to include promotional items in the bags, please provide the details of the item(s).
- Delegate bag promotional items need to be delivered to the Datacentrix head office by 17 July 2017.
- Datacentrix is willing to assist with the selection, purchase and branding process of the promotional items if required.

10. Other promotional items and hand outs

- Sponsors are welcome to hand out branded promotional giveaways, brochures or hand-outs at your stand.
- These items need to be brought to the Showcase by the sponsor and removed from the stand at the end of the day.

11. Deliveries

- Banners and boxes that can be carried to your stand do not need to go via the official delivery entrance at Montecasino.
- Any special deliveries need to be pre-arranged.

12. Showcase database and scanner app

- Sponsors are responsible for scanning the QR code of delegates that visit their stands.
- Only those delegates who have visited all the sponsor stands will be eligible to participate in the lucky draws at the end of the day.
- A scanner app will be made available to all sponsors for this purpose.
- If required, “room lists” will provide sponsors with real-time access to participating delegate information that will enable the sponsor to perform a lucky draw at a case study session (if applicable).
- A lead generation database, including the details of all attendees at a sponsor’s case study discussion (if applicable) and those who visited their stand during the event, will be issued to the sponsor after the event.

13. Prize sponsorship

- All sponsors may submit prizes for the lucky draws to be held at the cocktail event and closing address at La Toscana at 16:00.
- Prizes need to be clearly marked with a prize description and sponsor branding to assist with announcing the prize.
- Please provide details of any lucky draw prizes.
- All prizes need to be handed in to one of the event organisers at La Toscana by 15:30 on 27 July.
- Only those delegates who visited each of the sponsor stands will be eligible to participate in the lucky draws.

14. Parking, travel and accommodation

- Parking tickets will be available to print from the Showcase website as part of the registration process.
- Preferential accommodation rates have been negotiated with SunSquare Montecasino Hotel. Please contact them directly to secure accommodation if required by calling: +27 11 557 7007 or emailing: sunsquare.reservations@tsogosun.com

15. Sponsor interviews and photos

- A professional photographer and videographer will be available throughout the event.
- Photos of your stand and breakaway session(s) will be made available after the event.
- Ad hoc video interviews will take place. Please indicate if you would be willing to be interviewed on the day.

16. Social media

- We would like to encourage all of our sponsors to participate in the social media drive in the build up to and on the day using the #Datacentrixshow handle.

17. Exclusive branding opportunities

- The event organisers will arrange individual meetings with the sponsors that have selected to take one of the exclusive branding opportunities to discuss the details of the opportunities as follows:
 - Patio coffee bar
 - Outside tent area
 - Cocktail event
 - Comedy evening
 - Mime artists

18. Invitations

- VIP hard copy invitations will be distributed to a select group of business leaders.
- Electronic invitations will be distributed to all of Datacentrix' existing private and public sector customers, business analysts, key stakeholders and media representatives.

19. Confirmation of partner status and recent awards

To ensure that the event organisers utilise the correct information, please confirm the following details:

- The highest partner status/partner accreditation that Datacentrix has been awarded
- The most recent partner award(s) that Datacentrix has received

20. Contacts

The following key Datacentrix Showcase 2017 contacts are available to assist you during your preparations for the event. Please feel free to contact the correct person as needed.
