A quotation may be revoked at any time by Datacentrix. Datacentrix may accept or reject in whole or in part any order placed upon it by the customer pursuant to the quotation. Accordingly, a contract shall only come into force between Datacentrix and the customer if after receipt by Datacentrix of the customer's order or acceptance of the quotation, Datacentrix confirms to the customer that such a contract has been concluded or if Datacentrix supplies, or tenders to supply, the goods in question to the customer.
