Datacentrix Disclaimer of Liability

For purposes of this Datacentrix Disclaimer of Liability, "Datacentrix" shall mean Datacentrix Holdings (Pty) Ltd, and all its subsidiaries.

Datacentrix does not guarantee that the information provided on this website is complete, accurate and always current. This applies also to all links cited on this website, that may either point directly or indirectly. Datacentrix is not responsible for the contents of pages reached by clicking on any link.

Datacentrix reserves the right to change or add to the information provided without prior notice.

In making this information available, Datacentrix does not establish the basis for any offer about information, consulting, or similar contractual relationships. All liability for the use of the content of the website or for the accuracy of the content or for the availability of the website is excluded.

Datacentrix does not assume any liability whatsoever for direct or indirect losses or for losses incurred due to the unavailability of use, data losses, profits losses and/or income in connection with the use of documents or information accessible via this website.
