LEGAL PROCEEDINGS – UPDATE ANNOUNCEMENT

Shareholders are referred to the announcement released on SENS yesterday, 14 April 2016, pertaining to an application brought by Dimension Data Proprietary Limited ("**the Applicant**") in the High Court of South Africa regarding a bid awarded by the Department of Justice & Constitutional Development ("DOJ & CD") to Datacentrix Proprietary Limited for a Court Recording Technology Solution in January 2015. The application seeks to review and set aside the bid award on the grounds of alleged irregularities in the adjudication process.

During 2006 the Applicant was granted a three year contract by the DOJ & CD for the provision of the Court Recording Technology Solution. After expiry of the original contract in 2009, the tender was republished a number of times over the next five years but was never awarded, and accordingly the applicant continued, and still continues to provide the services to DOJ & CD under extensions to its original contract. In June 2014, another tender was published and adjudicated, and finally awarded to Datacentrix in January 2015. The Applicant has alleged that the adjudication process of the tender by the DOJ & CD was irregular and should be set aside. Datacentrix has taken legal advice and hereby advises shareholders that it will be opposing the application.
